Sent 2018 is a Peace Church conference for church planters and anyone else interested in seeding the kingdom presence in every context of America. The third annual gathering of its kind, Sent 2018 will gather diverse leaders for worship, inspiration, resourcing, networking, and empowerment to take risks that nurture the birth of missional communities that express the Anabaptist vision. Join us as we explore the theme of “Scattered: The experience of the early church from Jerusalem to Antioch.” Speakers, seminars, and the time for conversations will create an environment for mutual support and learning.
