ANNOUNCEMENTS

To my church family: I so appreciate your prayers, visits and words of encouragement following my recent surgery. The food, cards, phone calls and rides to appointments were so very thoughtful. Thank you so much. *-Mary Lou Brady*

Any persons or families interested in more information about Oak Grove's Central Christian Student Fund are invited to a short meeting after worship on May 6, 2018, in the Conference Room. If you cannot be at the meeting, you may speak to Jennifer Hartzler, Bob Witmer, or Hannah Miedel.

Hannah Miedel will be placing an Equal Exchange order on May 6. If you would like to add to the order, order forms are available on a table in the foyer. Please return to Hannah's mailbox.

We plan to honor our high school graduates on Sunday, May 20th. On the table in the foyer are hymnals for you to sign. Please take a moment to find one of your favorite hymns and sign your name. Thank you for helping to make this a treasure for these graduates to take with them and be reminded of their church family.

Miriam has posted a commencement announcement on the bulletin board in the foyer. The 2018 AMBS graduation ceremony will be held on Sunday, May 6th, at 2:30 p.m. If you are interested, it is being live-streamed at goshen.edu/live-stream.

Bicentennial Blanket Project: We had another successful knotting day and produced 15 additional comforters! Once these are bound, this number will be added to our present 114 completed comforters. Thank you for your on-going support of this project. You have been faithful and supportive and it is sincerely appreciated. We appreciate your commitment to providing warm blankets around the world and throws to the terminally ill nearby.

DEADLINE REMINDER: Next Sunday is May 5, our deadline for packets of blocks to be sewn. Have you sewn and returned the top you have? Your help in getting these sewn is appreciated. We need your contribution to reach our goal.

Education Commission invites you to consider teaching the Primary S. S. children one or more Sundays this summer. For the summer, kindergarten through grade 4 students are combined into one class. The curriculum is multi-aged with plenty of activities from which to choose. There are also student activity sheets for each lesson. The topics are listed on a poster in the foyer. Grab your spouse or your friend and sign up. First come, first served! Don't delay to get your choice of topic and date. Thanks for helping to facilitate our summer children's Sunday school experience.

Smithville UMC invites you to a parenting workshop, “Hidden in Plain Sight” on Tuesday, May 15, from 6-8pm. This is an interactive presentation and exhibit designed to resemble a teenager's bedroom, containing items that may indicate dangerous or risky behaviors. Admission is free and open to adults only. More information can be found on the bulletin board.
