A big thank you to everyone who helped set up and take down risers for the Messiah. The great help and assistance made the process more enjoyable and was done quickly. Thanks!

Directory Update: Vic Plessinger's phone number has changed to 330.345.4961.

From Priscilla Gresser at Green Elementary: I want to thank you so much for your generosity in helping needy families whose children attend Green Elementary School. Your generosity and caring were greatly appreciated again this year, especially during this time of need for so many families. The families were blessed by your generosity, as I am sure that all of you have been by your giving!

Spiritual Direction Opportunity: As part of my seminary studies at AMBS, I will be participating in a course on Spiritual Direction this next semester. Spiritual direction provides a time and place to reflect with another person about your relationship with God and notice where God is at work. One of my assignments is to provide spiritual direction for two or three persons over the course of the next several months. The individual sessions are for one hour every three or four weeks. Although I will need to make reports, all names and what is shared will be confidential. If you, or someone you know, are interested or want more information, please contact me. Thanks for considering. - *Miriam*

The Endowment Committee has considered and approved the following grant application: \$1,200 to First Mennonite Church of Wadsworth, who is working with a group of local churches and Malone College to raise funds for an Ohio tour of Ted and Company's production of *Discovery: A Comic Lament*. More information on the presentation is available at <http://www.tedandcompany.com/shows/discovery-comic-lament/>. Comments are welcomed by committee members: George Bixler, Linda Jaquet, Levi Miller, Sherry Miller, Steve Miller and Willie Troyer. The committee will meet after church on January 14 to finalize these requests.

The Comfort Throw & MCC Comforter Project needs your help as we march toward our 200-blanket goal by October 2018. For those of you who sew; comforter blocks are cut and put into order by rows, organized for sewing. These are in the "Project Room" on the lower level of the sanctuary. Sign the sheet by the number on the blank(s) corresponding with the number on the packet(s) of blocks you are taking. When the top is sewn, return it and mark the "completed" column on the sheet by your name. There is no limit to the number of packets you take or how often this process is repeated! Thank you for your part in this bicentennial service project.

Work night scheduled - mark your calendars! We will gather on **January 10 & 24** to work on the blanket projects. There will be comforters to knot and sewing machines for sewing comforter blocks. We will work from 2:00-4:00 and 6:00-8:00. Plan to join us for an evening of fun as we work together. Questions can be directed to Sherry Miller, Gladene Hershberger, Dan Jaquet, and Krista Mast. We look forward to your participation.
